Dear Mr. Zuño,

We are writing in response to your letter dated February 07, 2017, which we received on the same date, with regard to the negative stockholders' equity of Jackstones, Inc. ("JAS" or the "Corporation") as disclosed in the Annual Report for the year ended December 31, 2015 ("2015 Annual Report") as well as the Quarterly Report for the period ended June 30, 2016 ("2Q 2016 Report").

In your letter dated February 07, 2017, you requested for the following information pursuant to the Implementing Guidelines on Article XVI, Section 2, Letter f or the Listings and Disclosure Rules of the Exchange:

- "1. Update on the business plans discussed during the Annual Stockholders' Meeting ("ASM") on June 20, 2016;
2. Timetable for the implementation of the said business plans; and
3. JAS's operations plan to bring its stockholders' equity from negative to positive."

We respectfully address the matters raised by the Exchange, as follows:

We would like to inform the Exchange that on 10 March 2017 the Board of Directors has approved the increase of the Authorized Capital of Jackstones, Inc. from Php170,000,000.00 to Php500,000,000.00, and has disclosed this matter to Exchange in a disclosure dated 10 March 2017. It is expected that one of the Principal Shareholders, Ketton Holdings, Inc. will subscribe to at least twenty-five percent (25%) of the increase and, out of said subscription, pay at least 25% of the subscribed portion in cash and/or conversion of advances for future stock subscription. Management is seeking the Stockholders' ratification of this increase during the Annual Meeting to be held on 13 June 2017.

Ketton Holdings, Inc. will subscribe to at least Php82,500,000.00 and will pay at least Php20,625,000.00 in cash and/or conversion of advance for future stock subscription which represents fresh capital to be infused into the company.

Further, in the same meeting held on 10 March 2017, the Board of Directors approved the conversion of the existing stockholders' advances and other accounts into share capital. The increase in authorized stock coupled with the proposed conversion of the stockholders advances into equity will effectively erase the current deficit and bring the stockholders equity into a positive position.

Finally, during the 10 March 2017 Special Meeting, the Board of Directors of Jackstones, Inc. approved the proposal by the President of the new business plan to incorporate a wholly owned subsidiary to engage in the business of owning, holding, developing, selling of real property intended for mixed-use real property development projects.

On behalf of the members of the board of directors of the Corporation and Management, we hereby undertake to apprise the Exchange of any other updates relevant to this matter. Further, we hereby undertake to fully comply with all the procedural and reportorial requirements of the SEC and PSE, with full knowledge of the responsibility of the Corporation and its management to disclose any material fact to the investing public, the Commission and the Exchange.

Thank you for your kind attention.

Very truly yours,

ANTHONY B. PERALTA
Corporate Secretary
